pearance and will have a hearing Saturday.

The police received word from Glenwood yesterday afternoon that the young man supposed to have stolen the horse belonging to George Kroger. 392 Corby street, Omaha, was under arrest there, with the horse and saddle. Kroger, a few days ago, left his horse hitched on Douglas street, Omaha, while he went into a store. A young man about 17 years of age mounted it and rode across the bridge to Council Bluffs, followed by Kroger in a motor car. The thief was nearly overhauled here, but trace was lost of him near the School for the Deaf.

of him near the School for the Deaf.

"A Bunch of Keys" is one of those elartic plays which allows any amount of musical vaudeville singing and other "interpotions," and Manager Bothner, who is in expert in catering to the wants of the patrons, has this season outdone laimself spreading before them a feast of fun, the menu being as full of innocent merriment as the toothsome North River shad is of bones, This play was the foundation stone, as it were, that made the late Charles Hoyt the famous playwright that he was, a millionaire and a congressman. It has made more money, it is said, than any three of Hoyt's plays and continues to delight thousands who flock to seek a few hours of unbroken merriment. It will be seen tonight at the Dohany theater and will doubtless, as usual, be greeted with a crowded house.

Superior Individual Play, However, on the Part of the Home Men Accomplishes More Than United Effort of Collegians.

The Dodge Light Guard foot ball team defeated the Bellevue college eleven yesterday at the Driving park, 6 to 6. The game was witnessed by 500 people.

Captain Dyar of the soldiers won "the toss and chose the south goal for a game of twenty-minute halves. Although the game was called for 3:30 o'clock it was 4 o'clock before Moore, the left halfback of the visitors, kicked off and the ball was called down on the thirty-yard line. After advancing the pigskin several yards, mostly by end runs, Mathers of the home team attempted a punt, which was checked by

Bellevue on the forty-yard line. At this point of the game Council Bluffs played offside a great deal and was promptly penalized ten yards by the referee. After repeated end runs by Stuart and Dyar the Bluffs team sent Mather through left guard in hopes of a touchdown, but in this he failed one foot from the goal line. Then Stuart was sent through right tackle and easily made the cover-1 foot, thus scoring the first and only touchdown of the game in eighteen minutes of play.

The goal was easily kicked by Dailey. Bellevue then kicked off to Council Bluffs and Dyar, catching the leather sphere, carried it to the fifteen-yard line. Dailey end run, then Stuart was sent through right tackle for several yards, Dyar made a forty-yard run, and the first half ended with Council Bluffs in possession of the ball on its opponent's fifteen-yard line.

In the second half two substitutes were put into the game by Council Blu'is, Cutler at left guard and Cunningham at right halfback. Dyar kicked off and the ball was called down on the twenty-yard line. From this Bellevue continually advanced the ball until it lost it on a fumble on the fifty-yard line. After gaining several yards Council Bluffs' quarterback, Rutherford, was injured and Dailey put in his place, Substitute Richmond taking Dailey's position at right end. The remainder of this half showed up to advantage the clean foot ball that the Bellevue boys played. but their excellent team work was unequal to the individual work of the soldiers. When time was called Council Bluffs had the ball at Bellevue's thirty-yard line. Lineup:

Safe Brenkers Get Three Cents.

Further and more complete particulars of the safe blowing at Underwood yesterday morning show that the cracksmen obtained only 3 cents for their trouble. This amount was secured from the safe of the Rees-Gabriel Lumber company. The safe in the office of the Rock Island depot fur-

nished the looters nothing. The work is believed to have been done by experts. They first cracked the safe in the depot, using nitro-glycerine, drilling a hole over the combination and then knocking the tumbler off with a sledge. They then visited the office of the lumber company and pursued the same methods to

The explosion in the lumber office awakened the people of the little town and a number of citizens, clad only in their nightelothes, ran out into the street. An attempt was made to follow the cracksmen, who were three in number, but they stood the townspeople off with revolvers and made their escape by running down the railroad track and turning off into a corn-

To Vacate Treasurer's Office.

In pursuance of the resolution adopted by the Board of Education D. L. Ross, at secretary and attorney for the Independent School district of Council Bluffs, filed yesterday in the district court a petition asking that the office of school treasurer bo declared vacant, owing to the incapacity of the present incumbent, W. E. Haverstock. The petition also asks that Mr. Haverstock's representatives be directed to turn over to whoever may be selected as his successor all the cash, books and papers pertaining to the office.

After reciting the facts concerning Mr. Haverstock's election to the office, the term of which does not expire until next spring, the petition sets forth the pariculars as to Mr. Haverstock's filness. It is asserted that Treasurer Haverstock has been confined to his bed ever since July 27 last, when he was stricken with paralysis, since which time he has remained in a more or less unconscious condition and has been and is wholly and permanently incapacitated from discharging the duties of treasurer of the school dis-

Garner Republicans on Ticket.

The Garner republican township ticket will be on the official ballot despite the fact that the certificate of nomination of candidates was not filed with County Auditor Innes within the time prescribed by statute. This was ordered by Judge Green of the district court yesterday on appli then advanced it twenty-five yards by an cation of W. S. Cleary, chairman of the township republican caucus.

Chairman Cleary showed to the court that the certificate duly signed by the proper parties had been left with him to file and that through an unavoidable accident he had failed to file with the county auditor in the time required. James H. Davis, democratic committeeman of Garner township, was present in court and consented to the placing of the republican township ticket on the ballot and under these circumstances Judge Green issued the order. The republican candidates who will thus be placed on the official ballot are: Walter S. Way for trustee and James M. Dol-

larhide for justice of the peace.

Burlington passenger train No. 5, eastbound, collided with a switch engine at :20 yesterday morning in the Burlington yards at Tenth street and Eleventh avenue. The switch engine was transferring cars to the Northwestern when the passenger train, which fortunately was running slowly, pulled down on it. The force of the collision knocked the switch engine off the track onto the right-of-way. Both engines were considerably damaged and the passenger train was delayed until a new engine could be run out from the roundhouse. The passengers were shaken, but none was hurt. The crews of both engines escaped without a scratch. A dense fog is held to be the cause of the collision.
